

ALPS ALUMINUM TROLLING BUTTS

ALPS Short Straight Aluminum Trolling Butts

FEATURES:

- CNC Machined from marine grade aluminum
- New "No Spin Pinning System" pins the gimbal and fixed hood for precise alignment and totally eliminates hood and gimbal spinning loose
- Ferrules and thread patterns match most popular brands so they can be interchanged
- Hard anodized finish
- Raised knurling on nuts for better grip
- Delrin washers between nuts
